CASE # - 3-13CV1896 - P

MOTION to DENY U.S. GOVERNOR'S to the IMF MOTION TO DISMISS

The Court should deny the Motion to Dismiss from the the defendant. It is incorrect to say that the only TITLE for Jacob Joseph LEW is Secretary of the US Treasury. The Secretary serves in a dual capacity. He also serves as an agent of a foreign principal as the US Governor for the International Monetary Fund and is therefore an agent of the United Nations. The Defendant's Motion to Dismiss fails to acknowledge this fact. It is evidenced by the attached exhibit from the U.S. Treasury website itself, therefore the Motion to Dismiss has no merit nor basis to be considered as a valid request by this honorable court. The executive branch argues against itself. The Capacity and Title that Jacob Joseph LEW is being sued in with this Libel of Review action is as stated in the complaint and as evidenced by the U.S. Treasury webpage pertaining to the International Monetary Fund (attached.)

Moreover, the Criminal Complaint should be signed and enforced as the typical issuing party is GUILTY of Tampering with a Witness – Monumental Process Servers. It is noteworthy that the Tampering penalties have been beefed up in the Court Securities Improvement Act of 2007:

**SEC. 205. MODIFICATION OR TAMPERING WITH A WITNESS, VICTIM,
OR AN INFORMANT OFFENSE.**

Section 1512 of title 18, United States Code, is amended—

(1) in subsection (a)(3)—

(A) by amending subparagraph (A) to read as follows:

“(A) in the case of a killing, the punishment provided
in sections 1111 and 1112;”;

(B) in the matter following clause (ii) of subparagraph

- (B) by striking "20 years" and inserting "30 years"; and*
- (C) in subparagraph (C), by striking "10 years" and inserting "20 years";*
- (2) in subsection (b), by striking "ten years" and inserting "20 years"; and*
- (3) in subsection (d), by striking "one year" and inserting "3 years"...*

Respectfully submitted,

Resource Center

International Monetary Fund

The Treasury Department leads the U.S. Government's engagement in the International Monetary Fund (IMF). The IMF is an organization of 188 member countries that works to foster global monetary cooperation, secure financial stability, facilitate international trade, promote high employment and sustainable economic growth, and reduce poverty around the world. The Secretary of the Treasury serves as the U.S. Governor to the IMF, and the U.S. Executive Director of the IMF is one of 24 directors who exercise voting rights over the strategic direction of the institution. The U.S. is the largest shareholder in the Fund. Meg Lundsager is currently the U.S. Executive Director.
